2015/2016 Application Form and Dues

The new application form is identified as 2015/2016. **The national dues are \$30.00 for the year (2015/2016 academic year).** Student dues have remained the same for many years. Membership is effective for one year following receipt of paid applications by the national office. So, if you collect the dues and do not send them to the SAM Headquarters, you are missing out on the benefits of your membership. Please make sure member names and mailing addresses are typed or clearly printed to avoid misspelled names on ID cards and certificates. We are enclosing a white application master form to enable you to duplicate it. All forms are also available on the SAM Web site at: www.samnational.org.

Mailings, publications, eligibility to receive awards, and participate in any SAM activities start after we receive the paid applications. Therefore, it is important that you send the applications to us as soon as you receive them. Please do not hold them. We receive many calls from employers to verify membership for applicants. If we do not have the names in our records, we will be unable to respond.
